From the presenters of Living TV's "Most Haunted", GHOST HUNTERS is an explosive guide that opens the world of ghosts to new initiates and serious fans. It contains "exclusive" case files from Yvette Fielding and Ciaran O'Keefe's own investigations, carried out expressly for the book. It also discusses the history of hauntings, and the pros and cons of various investigative techniques - as well as spooky phenomena like orbs and poltergeists, and how to tell if you've really seen a ghost. In Part One Yvette and Ciaran re-open the case files of some of the world's most famous hauntings, including the Enfield poltergeist and the original Exorcist, and come to new conclusions based on today's expertise. In Part Two, Yvette and Ciaran have chosen five new cases never examined before and carried out their own investigations, in locations including a Cheshire family home, a deserted shipyard and an abandoned church - now used as a nightclub. Thoroughly researched and full of exciting new material, this is THE ghost book for the serious fan.
