### Mia's World: An Extraordinary Gift. An Unforgettable Journey.

In the follow up to the Sunday Times bestseller, *The Gift*, we are taken on a journey further into the psychic world of Mia Dolan, one of Britain's most gifted psychics. *Mia's World* is an amazing psychic adventure which reveals the truth about the spirit world. In *Mia's World*, Mia Dolan takes on a student -- Roz Chissick, a writer with absolutely no previous psychic training, and teaches her how to tap into her innate psychic gift. The result is an exciting psychic adventure not only for Roz but also for you the reader. Mia reveals more of her fascinating experiences of ghosts, spirits and explains the truth about the darker forces from the other side. We are taken on ghost-busts, to the mystical site of Avalon and astral travels to the home of her spirit guide. Mia reveals how we find happiness in this world and answers profound questions about life, death and psychic phenomena: - What is it like to die? - How can we still communicate with loved ones after death? - Do angels and demons exist? - Is there such a thing as a soul mate? - Is there such a thing as destiny or do we control our own fate? - What happens to our souls after we die?

'I wish there was some way I could share my ability to see things other people can't. We all have a guide, but not everyone can see or hear theirs. I've no idea what opened up the link between Eric and me, but I consider it a gift.
